

## **Experienced Site Supervisor? You can help create a greener UK**

A greener, more environmentally-friendly UK is possible – and we're making it happen. As a Site Supervisor at SUEZ recycling and recovery UK, you'll be contributing to an ever growing established recycling and recovery company that's helping customers reduce their impact on the environment, conserve natural resources and reduce landfill.

### **What will I be doing as a Site Supervisor?**

Reporting to Site Manager, the Site Supervisor will be responsible for supervising the daily running of the treatment facility operations at Middlefields transfer station, ensuring full compliance on the site. The site supervisor will be responsible to ensure efficient deployment of staff and resources and promoting recycling and diversion from landfill initiatives. The successful candidate will work closely with the other members of the processing division team and contribute to ensuring we provide the best service to our clients and customers.

Key responsibilities of the role include dealing with customer complaints within the applicable timescales, conducting site audits in line with policies and procedures. Further responsibilities will include collating working hours of the site staff for payroll on a monthly basis, maintain budgetary control over operations, order equipment and resource for the sites. As well as providing COTC cover, managing performance and health and safety to the contract standards.

### **What are the requirements? (experience and qualifications)**

Applicants must be able to demonstrate a passion for waste management and customer service coupled with communication skills. Working as of a team the successful candidate will ideally have a qualification in COTC Level 4 Treatment/Transfer Waste and IOSH Managing Safely.

Experience of working in the waste industry is desirable but not essential.

Experience of working in a supervisory position is desirable.

### **Our approach**

With a raft of benefits, family-friendly policies and excellent remuneration packages, there's never been a better time to join SUEZ, recycling and recovery UK.

We are proud of our fantastic opportunities for personal growth and development as we continue to build and grow our forward thinking company and you could play a key part in our success.

A friendly and supportive place that you will love to work, we believe creativity, clear communication and our drive for excellence are the keys to our success. We also expect our people to be enthusiastic and responsible. If you share our thinking – and have the qualities we're looking for – you could play a big part in our dedicated team.

SUEZ, recycling and recovery UK formally SITA UK.
